This highly sought after office hub presents a superb example of serviced office space done right. Combining a great array of services and equipment, reasonable rates, not to mention a highly dedicated admin/management staff, your organisation would be hard-pressed to find better!

Having settled upon a new office space and started the moving process, nothing is more aggravating than setup delays and installation problems. This workplace is in a good position to pre-empt these problems, with workstations that are fully equipped and ready for business, so that newly arrived residents have the best possible start.

In addition, residents benefit from stunning views from this centre, as the serviced office centre looks over a beautiful vista.

To finish the package, this office centre also provides wireless internet access, a refreshments area, and access to a breakout area - encouraging workers to maximise any downtime.
