Serviced offices are available in this elegant, fully refurbished Grade II Listed building, nestled within Liverpool's commercial district. Although housed in a period property, the inside has been renovated to a remarkable standard, boasting light and minimalist rooms alongside stylish interiors. The period features have been incorporated including the original domes which have been sympathetically restored. With a unique partnership with business-only Internet Service Providers, the building has access to 100Gbps internet connection, which is one of the only places in the UK to have this incredible connectivity, essential for those who prioritise communication. Guests will be greeted within the brand new and impressive entrance by the manned reception area and there is a Starbuck's on-site, creating a comfortable and convenient working environment. Offices are open-plan and versatile, benefiting from 24 hour entry, office cleaning services, access to conference rooms which is all offered on flexible terms. This would suit companies looking for prestigious office accommodation with supporting facilities located in a historic and well-reputed area, with everything a business could need right on the doorstep.
